

CORRIGENDUM

The article *Archaeometric Measurements with Pixe Method*, published in Romanian Reports in Physics, Vol. 64, No.2, P. 399-410, 2012, authors C. Petre, E. Dragulescu, C.R.Badita, has been withdrawn at the request of “Horia Hulubei” National Institute of Physics and Nuclear Engineering, Bucharest-Magurele (IFIN-HH) as the authors of the article did not participate in any way to the experiment and data analysis of the article and two of them, E. Dragulescu and C.R. Badita, with IFIN-HH affiliation, did not have any knowledge about the submission or publication of the named paper in Romanian Reports in Physics, declining entirely their quality of co-authors.
